DETAILED ACTION

Response to Amendment

1. Applicant's amendment was received on 6/30/04, and has been entered and made of record. Currently, **claims 29, 30, 32-39** are pending.

Examiner's Amendment

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Dennis Flaherty on Wednesday, November 10, 2004.

The application has been amended as follows:

In claim 32, line 2, "claim 31" was changed to read "claim 29".

Application/Control Number: 09/302,080

Art Unit: 2622

Allowable Subject Matter

- 3. Claims 29, 30, and 32-39 are allowed (renumbered as claims 1-10, respectively).
- 4. The following is an examiner's statement of reasons for allowance:

Regarding independent *claims 29 and 36 (renumbered claims 1 and 7, respectively)*, in the examiner's opinion, it would not have been obvious to one of ordinary skill in the art at the time of the invention to have the system, as claimed, include the features of displaying a screen having a list of searchable parameters, with each being associated with a toggle field having three possible states and a respective fillable search criteria field, whereby the three toggle states have the respective functions of ignoring, displaying, and searching. The closest prior art, previously indicated as McDonald (U.S. Patent Number 5,920,317) and Banks *et al.* (U.S. Patent Number 6,674,449), each fail to these limitations, which were added in the amendment dated 6/30/04. Because of the addition of these features, the claims are rendered allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Drawings

5. The drawings received on 4/28/99 are acceptable by the examiner.
